

# GOVERNOR MIFFLIN SOCCER CLUB

Dear Business Owner,

We are writing to explain a little bit about our youth soccer club and to ask if you would be interested in helping us to make our upcoming year another great success!

The Governor Mifflin Soccer Club is a non-profit organization founded in 1976. Our club is dedicated to delivering a high-quality program in a fun environment with lessons based on positive coaching, good sportsmanship and player development.

Our club is comprised solely of volunteers, coaches and board members as well. Countless hours are spent behind the scenes making sure that our club is run efficiently and our players and parents are having the best experience possible. As with any organization, there are many year-round expenses such as leasing of the land used, equipment and field maintenance.

We are asking businesses, such as yours, to help us achieve our goal of raising funds so that we can continue to provide this experience to our players and parents at a reasonable cost. Hundreds of people pass through our fields and program each year, so sponsorship is a great way to promote your business as well as give back to your community.
